Attached are the files for Betsy S's review (there's an identical AAA to A memo for each that mirrors the OD to AAA memo that I didn't bother attaching – we'll make corresponding changes after she edits this one). No rush on her review. FYI, R4 is trying to brief their acting RA next week so she is prepared for questions once this goes forward. I told R4 that we have no direction on whether any briefings are required, so not to hold up their briefings on our account.

Thanks very much to Sarah and Tanja for their work on these!
